Center Circle (CC) - Salem Indoor Sports Complex

The Center Circle – Salem Indoor Sports Complex opened in October of 2007. The entire \$2.3 million project was funded by the Salem Community Foundation (SCF) (www.salemcommunityfoundation.org) as a gift to the community in celebration of the Salem Bicentennial and the 40th anniversary of the SCF. The 31,780 square foot facility consists of a gymnasium, field house and snack/vending area.

Field House:

- 22,880 square feet
- Field dimension of 191' x 84'
- State-of-the-art synthetic grass turf (Sof-Step-200)
- Full netting replaces walls for “outdoor style” out-of-bounds.
- Heated spectator seating area for 120 people
- 4'x 8' score board

The construction of the field started with a compacted stabilized soil base; then a layer of fine gravel was added, which was covered with 2” high tufted pile synthetic grass, and topped with 52,500 pounds of finely ground rubber that was worked into the grass to give the field the “feel of earth”. Center Circle Field House hosts soccer leagues, practices, camps and tournaments. Other uses include flag football, baseball and softball practices.

Auxiliary Gymnasium: The 8,900 square foot gymnasium has a cushioned composition floor with the use of one full basketball court or two half courts with bleachers on the east side. This gymnasium is primarily used as a rental for leagues, practices, camps and tournaments. Gym space in the area is at a premium, so this auxiliary gym is a welcome addition to the facility and to the community.

Snack / Vending Area – Located in the SCC and CC, vending areas are available during operating hours. The CC Snack Bar will have various hours depending upon activities in the building.

Salem Community Center (SCC)

Children's
Fitness Center

The Salem Community Center is a private, not-for-profit corporation, serving Salem and surrounding communities. The 50,000 sq. ft. building was built in 2002 through the generosity and foresight of the late Ruth McKeown, whose gift through the Salem Community Foundation made the \$9.5 million facility a reality.

The SCC features a 9,000 square foot fitness area with free weights and Cybex Select Rise. Also featured are Precor, Star Trac, Woodway, and Cybex cardio-vascular machines, and an Instruction Studio. The Reasbeck Natatorium, offering a co-ed Spa, Training Pool and Main Pool, is located next to the men's and women's locker rooms. Each locker room is equipped with a dry sauna and locker service. Two gymnasiums, a walking/jogging track, ample meeting rooms, a Children's Fitness Center, Childcare Center, and banquet rooms are available to meet any occasion.

Fitness Floor
Walking Track

During posted building hours and schedules, the walking / jogging track, exercise / fitness area, locker rooms, dry saunas and pools will be open to pass holders (day, month or year). By checking weekly and daily schedules, you can see if the specific activity you desire is available. The SCC also offers rentals for youth sports banquets, children's birthday parties, graduation celebrations, corporate events and much more!

SilverSneakers® and Silver&Fit®

The SCC is an approved site for the SilverSneakers and Silver&Fit programs. Persons eligible for SilverSneakers or Silver&Fit receive a basic Salem Community Center membership at no cost. This membership also includes free senior exercise classes (both land and water). Stop in or call to check your eligibility.
