

Start Now....

Thank you for your interest in the open water program. Many people desire to learn about the fascinating sport of scuba diving. You have decided to do something about it, and North Coast Divers can help. Our experienced instructors have been teaching people to dive since 1982. If you are healthy and can swim, we can get you started.

Our course consists of two parts:

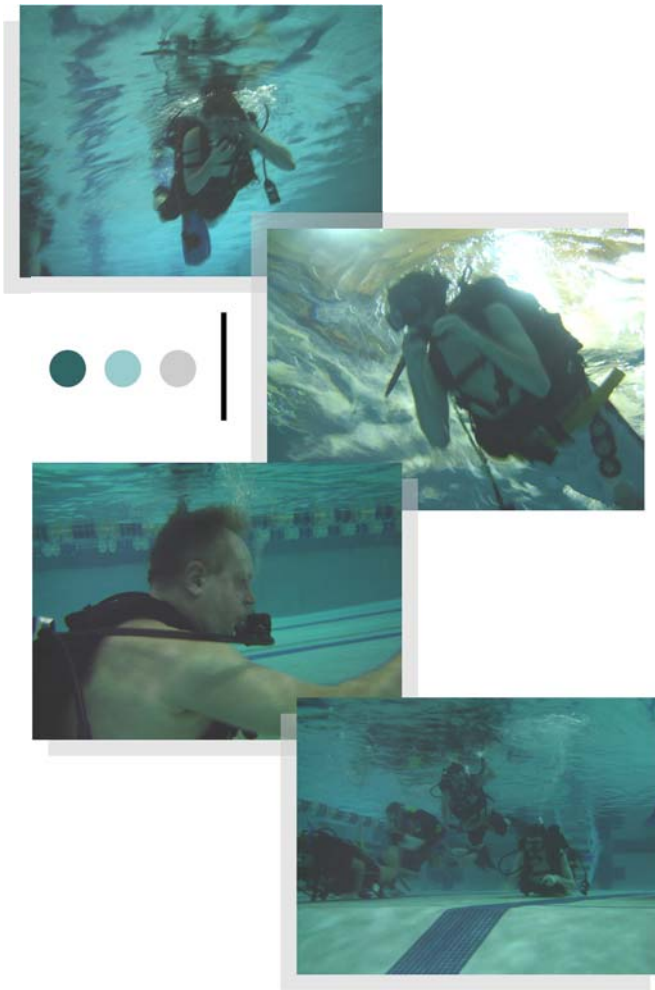

Part 1: Classroom and Pool Sessions. Confidently builds your knowledge and skills.

Part 2: Open Water Orientation. Introduces you to the open water environment under the watchful eye of our skilled instructors.

See what a student has to say:

"Bill makes the class interesting and easy to remember. I feel like the main focus of his class is safety first.

- *Advanced Diver*
- *Open Water Diver*
- *Specialty Courses*
- *Divemaster*
- *And much more....*

Can you swim? Are you in good health? Do you want to learn to scuba dive? Then you can become a certified scuba diver and you can start right now! Our standard beginning diver program starts the minute your deposit (\$100) is received. The student kit and experienced instructors will provide you with everything you need to get started and on your way to becoming a certified diver.

Discover Scuba Party Package: \$199 Member / \$219 Non-Member

Enter the magical underwater world by making a dive in the safety of the Salem Community Center (SCC) swimming pool. Join North Coast Divers, Inc., and Instructor Bill Anderson, as children experience taking their first breath underwater! Participants for Bubblemaker (minimum age 8) or Discover Scuba (minimum age 10) will receive 15 minutes of classroom instruction and 45 minutes of introductory scuba instruction, as well as 1 hour of party room usage. You supply the kids; we supply the gear and fun!
