Teams of 8-20 players may register by filling out the team roster, which is available at the Salem Community Center front desk or online at [www.salemcommunitycenter.com](http://www.salemcommunitycenter.com). The team captain is responsible for registering the entire team at the SCC and delivering payment. **No registration will be accepted without the completed forms.**

### **Do I really need to fill out a roster and waiver if my team played in a previous session?**

Yes - Contact information changes with some frequency and we want to be sure that we have the correct information. Also, waivers of liability must be signed for each session in which an individual participates.
